Campaign to REINSTATE FULL ACCESS to TIA (Training Incentive Allowance) NZ

These documents will help give you an overview of the various entitlements and allowances available through WINZ and IRD for WINZ clients and low to middle income families.

It is by no means a comprehensive list of what may be available to you, but will give you a reasonable idea of what you may be entitled to claim. Use the links given to explore this further.

They include information on:-

- The Accommodation Supplement
- Childcare Subsidy
- Community Services Card
- Disability Allowance
- OSCAR – Out of School Care and Recreation Subsidy
- What payments are available
- Working for Family Tax Credits & In Work Tax Credits
- Young Parent Childcare Payments

Plus

- A table showing comparisons between a *theoretical* Waged Family and DPB (Sole Parent) Beneficiary Family and what they might be entitled to given a set of general assumptions and receiving maximum entitlements
- You may find it enlightening.

We believe that the more fully informed you are about entitlements and allowances, etc, the more confident you will be when talking with your WINZ case manager or other official.

*All information presented IN THESE DOCUMENTS is correct
as of 2nd August 2009,
